

Eucharistic Festival of Praise

Spend an evening blending your voice with people of all ages in praise of our Eucharistic Lord at a Festival of Praise! You'll love this opportunity to seek an outpouring of the Holy Spirit on your life.

Imagine this...All ages, all God's people, praising God together. The EFOPs at the National Shrine of The Divine Mercy are designed to deepen our relationship with Christ, especially with Christ present in the Eucharist. Our relationship with Christ will also bring us to a deeper desire of being united with Him at Mass where Christ gives Himself completely to us with love and humility when we receive this same Eucharistic Lord into our bodies.

The Eucharist, which is Jesus Christ Himself, will be present with AMAZING praise & worship music and a scriptural meditation to draw us closer to God. During the EFOP, there will be quiet time before & after Benediction to speak quietly with our Lord in prayer and to listen for His voice.

The EFOP will close with a social opportunity for people to get together and chat and share fellowship. Let us allow ourselves to draw closer to God, to His Presence in the Eucharist.
